

## Alwan LinkProfiler

### What's new in LinkProfiler 3.0 ?

Alwan LinkProfiler v 3.0 can be purchased in 2 Editions:

- **LinkProfiler Print** (all options available)
- **LinkProfiler Publish** (without the following options: GCR, Ink Savings and Printer/Press Calibration)

LinkPofiler v3.0 includes the following improvements:

- Printer / Press Calibration option
- Improved Smoothness of DVL Profiles
- Separate purity options: CM-MY-YC secondaries purity / CK-MK-YK ink purity / C-M-Y and K primary purity / 200% solid secondaries / 200% solid CK-MK-YK
- New Black Point Compensation (closer to Adobe® BPC)
- Improved Ink Savings algorithms (even more ink savings and better print contrast)
- Universal application (can be run on PowerPC and Intel CPUs)
